**MAILED**

**JUL 28 2010**

In re Patent No. 7,713,524  
Issue Date: May 11, 2010  
Application No. 10/566,358  
Filed: April 13, 2006  
Attorney Docket No. **065691-0433**

**OFFICE OF PETITIONS**

**DECISION ON PETITION**

This is a decision on the petition, filed, July 6, 2010, which is being treated as a request under 37 CFR 3.81(b)<sup>1</sup> to correct the assignee's name on the Fee(s) Transmittal form PTOL-85(b) by way of a certificate of correction in the patent to be issued from the above-identified application.

The request is **GRANTED**.

Petitioner states that the correct assignee's name is "LFB Biotechnologies" and that the incorrect assignee's name was included on the Fee(s) Transmittal form PTOL-85(b) at the time of payment of the issue fee. Accordingly, petitioner requests that a certificate of correction be issued to reflect the correct assignee on the front page of the Letters Patent in the patent to be issued from the application.

37 CFR 3.81(b), effective June 25, 2004, reads:

*After payment of the issue fee:* Any request for issuance of an application in the name of the assignee submitted after the date of payment of the issue fee, and any request for a patent to be corrected to state the name of the assignee, must state that the assignment was submitted for recordation as set forth in § 3.11 before issuance of the patent, and must include a request for a certificate of correction under § 1.323 of this chapter (accompanied by the fee set forth in § 1.20(a) and the processing fee set forth in § 1.17(i) of this chapter

<sup>1</sup> See MPEP 1309, subsection II; and Official Gazette of June 22, 2004.

The request was accompanied by a certificate of correction (and fee) as required by 3.81(b). Further, Office assignment records reflect that "LFB Biotechnologies" is the assignee of record. Accordingly, as the request complies with the provisions of 37 CFR 3.81(b), it would be appropriate for a certificate of correction to be processed after issuance of this application into a patent.

Inquiries concerning this decision should be directed to the Terri Johnson at (571) 272-2991. Any questions concerning the issuance of a certificate of correction should be directed to the Certificates of Correction Branch at (571) 272-4200.

This matter is being referred to the Certificates of Correction Branch for processing of a certificate of correction after issuance of this application into a patent.

A handwritten signature in cursive script, reading "Terri Johnson".
